Details: Picture spending New Year's Eve at one of Denver's most romantic settings, the Copper Club. Enjoy New Year's Eve in a beautiful, 2-story building, with linen table cloths and candles adding to the décor. This facility accommodates 500 people and has a large dance floor. Our great D.J. will be playing a variety of your favorite songs (email us for any special requests/ideas) and we'll have a few dancing mixers to get everyone out on the dance floor. This place is awesome! Light appetizers will be served, but you may want to coordinate a nice dinner with your friends before the party. Come by yourself, come with a date, or put together a group of friends.
